WHY SEA SPORT?

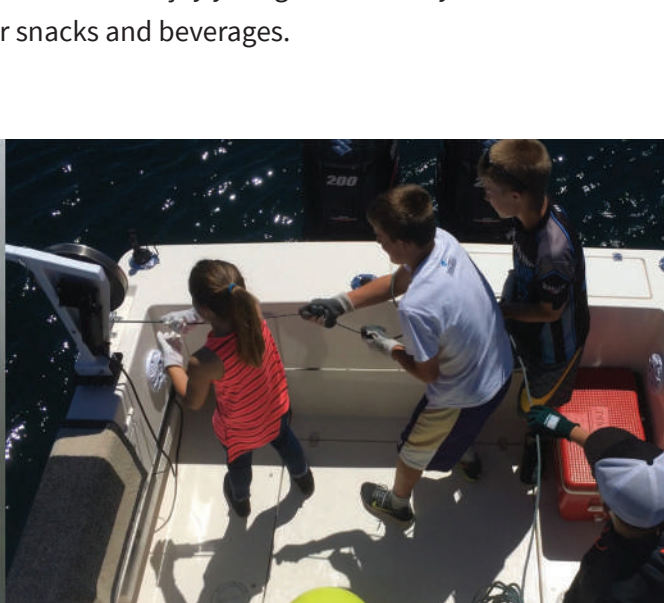

EXPLORATION AND RELAXATION

Explore the water without borders and reach places that make others jealous. We strive to give you the confidence behind the wheel so you can concentrate on fun, not repairs and nerves. With a gigantic hard-top for dinghy and kayak storage and large windows with 360 degree cabin visibility, Sea Sport wants to make sure you enjoy each outing comfortably.

GREAT FAMILY FUN

Making memories is what being on the water is all about. Sea Sport has a great family tradition, and we've tried to put that same pride and focus into how these boats can be used. Get away for the weekend and enjoy your great sound system for entertaining and there's plenty of storage for snacks and beverages.

FULLY RIGGED FISHING MACHINE

Fishing in the Pacific Northwest and Alaska for over a half century has led us to produce the pinnacle of all fishing boats. From thoughtful layouts built for convenience and success to storage for everything from rods, tackle, nets, and bonkers, our Sea Sports are dependable and spacious.

SEA SPORT CHRONOLOGY

1955 WRIGHT MANUFACTURING BEGINS MANUFACTURING BOATS

The original factory was established at 915 Harris Avenue in Fairhaven, Washington. This is where the first Sportsman was introduced, a 12' model called the Cartopper.

- | | | | |
|-------------|---|-------------|--|
| 1957 | 16' Sportsman introduced | 1973 | Changed name to Wright Brothers Incorporated |
| 1958 | 8' Sportsman introduced | 1977 | Moved to a new facility on the Guide Meridian |

SPORTSMAN 2200

AGGRESSIVE APPROACH

This boat has great versatility. Whether you're a solo day fisherman or a family of four looking to do some extended overnight cruising, the Sportsman model can do the job. The cabin includes a dinette, sleeping accommodation for four, ample storage space and enough room to add galley amenities. The range of options available are virtually limitless and we take pride in the ability to let our customers outfit their boat to suit their needs. All of this combined with a deep-V hull design that will get you there and back comfortably.

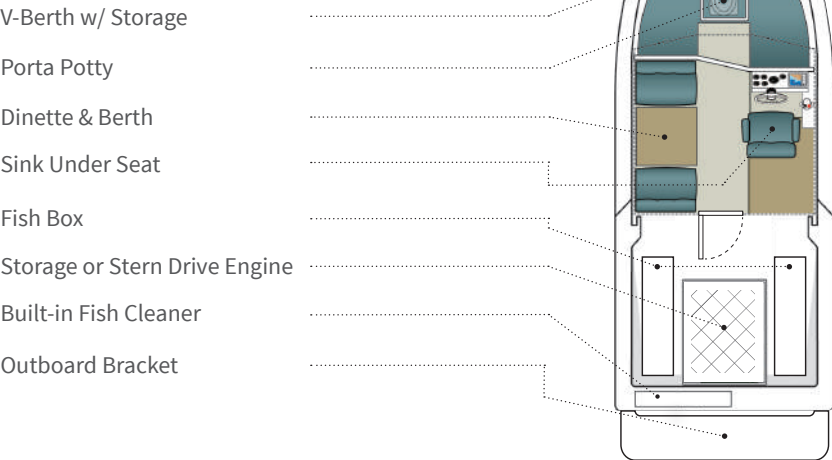

FEATURES

- Incredible 22' boat that acts and rides much larger
- Plush seating allows for lounging and cruising
- Spacious V-Berth for comfortable nights and naps
- Legendary Sea Sport hull construction eliminates maintenance concerns
- Economic and robust

THE SPORTSMAN 2200 IS THE SMALLEST IN THE SEA SPORT LINE UP, AND IS VERY POPULAR.

KENAI 2600

DECK ADVANTAGE

First designed with the most serious recreational fishers in mind, the Sea Sport Kenai 2600 is popular amongst charter boats, commercial fishermen, researchers and professional divers. It excels at government agency and patrol applications as well. Outside, there are three storage holds for gear or fish. Inside the roomy cabin, there is a dinette that seats four-and converts into a bunk to sleep two. A sink with pressurized water, a generous V-berth, and a giant back deck with extended range, all make this boat a truly awesome fishing vessel.

FEATURES

- Giant aft deck, customizable to your every need
- Superb hull design providing the smoothest ride in its class
- Best fuel economy within the 2600 series
- GoPro storage and mounting availability
- Optional hanging racks
- Strategic lighting placement for the stealthy angler

COMMANDER 2800

PROUD TRADITION

The Commander 2800 is the newest addition to the Sea Sport lineup and is the perfect size for both leisure family cruising and the diehard fisherman. By adding 2ft in length and 13" in beam, you gain many features that simply were not possible on the 2600 series. The full galley includes a 2-burner propane cooktop and a deep sink with hot and cold water. The cabin also includes a fully enclosed electric marine head and a hot water shower system.

FEATURES

- Huge beam provides an interior feel that is unmatched
- Exceeds expectations for a multi purpose platform
- Forward entry quarter-berth providing sleeping for 2
- Bow thruster option
- Low-profile eliminates windage concerns
- Joy stick controls

OFFSHORE 3000

GO FORTH AND PLAY

The Offshore is a world-class sports fisher that boasts optimal performance, speed and a long list of capabilities. Similar to the Voyager 3000, the Offshore combines the benefits of a great fishing boat with all the added luxuries of a pleasure cruiser. With a slightly shorter cabin than the Voyager, the result is a huge 82 sqft aft deck. The additional deck space creates a large fish hold and 2 storage compartments to store your gear. The Offshore 3000 is the extreme sport fishing vessel that will make you the envy of the water.

FEATURES

- New hull characteristics allow for greater fuel efficiency and stability on the water
- Multiple “Social Zones” for entertaining on the flybridge or out on the deck
- Wide beam allows for extremely spacious and fully customizable interior space
- Built to provide high-class fishing and outdoor memories

EVERY ANGLER DREAMS OF THE ULTIMATE FISHING BOAT; THE OFFSHORE CAN MAKE IT A REALITY.

VOYAGER 3000

MASTERFUL PERFORMANCE

The Voyager 3000's spacious cabin offers an enclosed marine head with shower, large V-berth, a full galley with propane stove, microwave oven and a convertible dinette area for easy entertaining. With its thoughtful appointments and intuitive design, the Voyager feels more like a home away from home. The 63 sqft cockpit, coupled with a 10'6" beam, gives you a spacious fishing platform large enough for the whole family. The standard electric windlass lets you anchor in any cove, perfect for finding that secluded, unknown spot.

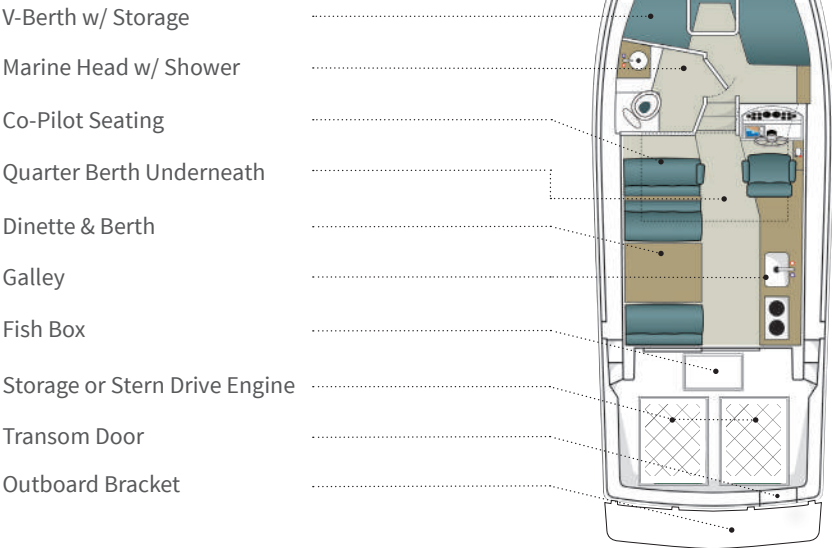

FEATURES

- New hull characteristics allow for greater fuel efficiency and stability on the water
- Combines performance, seaworthiness, and fishability in an unparalleled way
- Luxurious stateroom and galley
- Extremely maneuverable and responsive

BEAUTY & STABILITY

The twin asymmetrical hulls create a high speed, stable, and efficient ride not found in other boats this size. The patented catamaran design greatly reduces side rolls and pitching from wave action. The planing hulls allow you to cruise at 20+ knots, even when the weather turns bad. Reduced drag results in better fuel efficiency, allowing you to go further on a tank of fuel. All of this, gives you the finest built, best handling cruising catamaran in its class.

FEATURES

- Twin-hull Catamaran design bombs through choppy waters with ridiculous ease
- Bow-thruster option and wide motor base makes docking a breeze
- Flybridge offers endless configuration possibilities
- Impressive fuel performance for such a brute with a capacity of 400 gallons with an outboard and 300 with an inboard

VOYAGER 3000

CUSTOMIZATION OPTIONS

FROM TOP TO BOTTOM, MAKE IT YOURS

From a variety of power options to a great plethora of upholstery swatch features, and from fully customizable layouts to integrated electronics, engine controls, joysticks, bow thrusters and much more, you can truly make your Sea Sport a custom ride.

POWER

We can install any brand and size of motor on the market today, both outboards and inboard/outboards. Since we are not owned by a motor company, we have the flexibility to install whatever you desire.

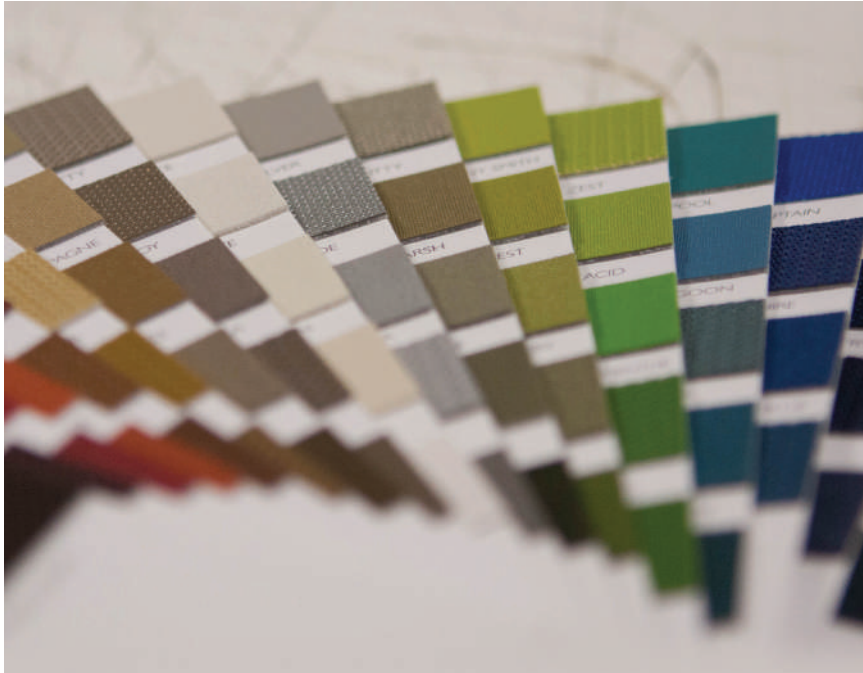

HONDA

EVINRUDE

UPHOLSTERY

All tastes are different so we figure we should honor that. Our custom upholstery department can cut, shape, mend, hem any type of fabric in any color or size. We offer a broad range of products to choose from. We can also build custom cushions depending on body frame and preferences.

AESTHETICS

Selecting the right color combination for your Sea Sport is often not easy as they all look so glorious. We can mock up different color options and layouts to fit any desire, as long as the colors are offered by our suppliers. We also can match you up with real life color chips to make sure the choice is right for you.

CONFIGURATIONS

Sea Sport offers custom interior layouts for all models. Typical adjustments are bench seating, head locations, quarter berths, height modifications, etc. Please don't hesitate to ask if you have an idea that you think may work for you and your situation and we'll likely find a way to accommodate. Again, this is what sets Sea Sport apart from our competition – custom boats to fit your wish list.

ACCESSORIES

Lights, tackle boxes, wood trim are a few of the many options we can discuss getting into the boat at the factory. We enjoy building custom boats that can be completely personalized to suit your needs. Our boats are built by hand for each individual owner and getting to this level of detail is what differentiates Sea Sport from the other boats.

EQUIPMENT

There are some really nice additions that you can have us install at the factory, from pole holders to anchor windlasses. We take you through our equipment lists and talk about locations, operations, and functionality and suit the equipment to your needs, not just to a universal boat specification.

WARRANTY AND OWNERSHIP

As a family owned business we take our reputation very seriously. Our warranty is more than just words and a sales tool. If you have a problem, please feel free to call our factory and talk with one of our owners. We will get to the bottom of the issue and correct it. No other boat in our class can touch our coverage, our level of support, and our commitment to you as a boat owner.

- 10 Year Structural Warranty
- 5 Year Vessel Factory Component Warranty
- 3 Year Gelcoat Finish Warranty
